Mark,

As you already saw Jim Hanchett will the person at DPH responsible for assigning access to evidence receiving / storage areas.

Jim,

Mark will need from you the names of people who you will allow to have access to your spaces.

Is there anything else we need to coordinate?

Stephen

Grace,

Please see below. Who from DPH will be responsible for assigning card access privileges to evidence receiving and storage? Our folks need to know to complete the card access system. We need to know what staff will have access and what times of day. Please get back to us.

Thanks,

Stephen

Steve:

Bob can be reached at 5-6412. As for access, I need to know who will be responsible for assigning access privileges, and setting the door schedule. This will be the only person I will take direction from, regarding changes to access or door schedule. Once I know who that person is, we can discuss door schedule and who has access.

Thanks.

Thanks Mark. Can you please ask him to contact me. Or I can call him if you have a number I can reach him at. Also what do the DPH staff have to do to get cards to access their spaces? I have not done this before so I am not sure how to direct them. Please let me know.

Thanks,

Stephen
